## Course Information

### Need:

Throughout its history, the Catholic Church in Malta has formed and sustained the formation of new Catholic communities. Eager to continue to respond to Christ's command to teach and baptise all nations and aware of the ever changing face of global challenges and of the Catholic Community in Malta, there is a need to form the laity to:

- feel and believe in the urgency and importance of proclaiming the kingdom of God amongst all nations;
- be filled with a sense of respect and urgency to share the Message entrusted to us;
- sustain the local Church by reminding it of its primary mission and spread missionary enthusiasm at all levels of the local Catholic Community.

For this reason there is need for a formation course which instils in participants the knowledge and the attitudes that are essential for building and sustaining a missionary attitude and will within the local Church.
