Pope's Intentions for
September 2018

During this month, Pope Francis invites people of good will to come together and pray:

That young people in Africa may have access to education and work in their own countries.

Let us pray:

Dear Lord, please enlighten the leaders of African countries so that they will find real and effective solutions so that youths will have access to education and work in their own countries.

Hands on:

Many young Africans may have a high level of education but end up doing jobs which they are overqualified for. I challenge myself to appreciate the background of these youths. I ask myself whether these people are being enabled to show their true talents.
