

Pope's Prayer Network

Pope's Intentions for
December 2019

During this month, Pope Francis invites people of good will to come together and pray:

That every country determines to take the necessary measures to make the future of the very young, especially those who suffer, a priority.

Let us pray:

Dear Lord, enlighten policy makers in every country to ensure that children's interests are given a priority in their policies.

Hands on:

To become aware of where abuse is happening, I research on the products I buy on the 'Bureau of International Labour Affairs' website. I raise awareness around me and I choose products that are produced fairly and that do not promote child or forced labour.
